No.	Sample-no.	Quantity received		= Value confirmed by client [d]		Second weighing			
		Balance no.	Gross 1	yes	no	Balance no.	Gross 1	Balance no.	Gross 2
1				☐	☐				
2				☐	☐				
3				☐	☐				
4				☐	☐				

Gross 1 = Container weighed **without** LIMS-label; Gross 2 = Container weighed **with** LIMS-label. Transfer to documentation for quantity tracking.

[d] If gross 1 deviates from the customer's specification by more than 0.1 g, the weighing is confirmed on a second scale (= confirmation weighing). If these results are identical, the weight determinated by Interlabor is used as the new gross weight and the customer is informed of the deviation in writing (enclose documentation).
